

# 2004 Vortex Adapter Instructions

1. Attach the Vortex bracket to the Vortex using the two wire ties as shown in Figure 1.
  2. Slide the retaining tie upward and attach Winduk as shown in Figure 2.
  3. Simply slide the retaining tie down as shown in Figure 3.
  4. Assemble wings and you are ready to hunt.
  5. At the end of each hunt, simply remove the wings and Winduk from the Vortex Adapter.
- NOTE: Leave the Vortex Adapter on the Vortex. Do NOT mix Winduks with other decoys on the Vortex.**
